1. General

1.1. These financial regulations govern the conduct of financial management by the council and may only be amended or varied by resolution of the council. Financial regulations are one of the council's three governing policy documents providing procedural guidance for members and officers. Financial regulations must be observed in conjunction with the council's standing orders and any individual financial regulations relating to contracts.

1.2. The council is responsible in law for ensuring that its financial management is adequate and effective and that the council has a sound system of internal control which facilitates the effective exercise of the council's functions, including arrangements for the management of risk.

1.3. The council's accounting control systems must include measures:

- for the timely production of accounts;
- that provide for the safe and efficient safeguarding of public money;
- to prevent and detect inaccuracy and fraud;
- identifying the duties of officers.

1.4. These financial regulations demonstrate how the council meets these responsibilities and requirements.

1.5. At least once a year, prior to approving the Annual Governance Statement, the council must review the effectiveness of its system of internal control which shall be in accordance with proper practices.

1.6. Members of council are expected to follow the instructions within these Regulations and not to entice employees to breach them. Failure to follow instructions within these Regulations brings the office of councillor into disrepute.

1.8. The Responsible Financial Officer (RFO) holds a statutory office to be appointed by the council. The Proper Officer has been appointed as RFO for this council and these regulations will apply accordingly.

1.9. The RFO;

- acts under the policy direction of the council;
- administers the council's financial affairs in accordance with all Acts, Regulations and proper practices;

- determines on behalf of the council its accounting records and accounting control systems;
- ensures the accounting control systems are observed;
- maintains the accounting records of the council up to date in accordance with proper practices;
- assists the council to secure economy, efficiency and effectiveness in the use of its resources; and
- produces financial management information as required by the council.

1.10. The accounting records determined by the RFO shall be sufficient to show and explain the councils transactions and to enable the RFO to ensure that any income and expenditure account and statement of balances, or record of receipts and payments and additional information, as the case may be, or management information prepared for the council from time to time comply with the Accounts and Audit Regulations.

1.11. The accounting records determined by the RFO shall in particular contain:

- entries from day to day of all sums of money received and expended by the council and the matters to which the income and expenditure or receipts and payments account relate;
- a record of the assets and liabilities of the council; and
- wherever relevant, a record of the council s income and expenditure in relation to claims made, or to be made, for any contribution, grant or subsidy.

1.12. The accounting control systems determined by the RFO shall include:

- procedures to ensure that the financial transactions of the council are recorded as soon as reasonably practicable and as accurately and reasonably as possible;
- procedures to enable the prevention and detection of inaccuracies and fraud and the ability to reconstruct any lost records;
- identification of the duties of officers dealing with financial transactions and division of responsibilities of those officers in relation to significant transactions;
- procedures to ensure that uncollectable amounts, including any bad debts are not submitted to the council for approval to be written off except with the approval of the RFO and that the approvals are shown in the accounting records; and measures to ensure that risk is properly managed.

1.13. The council is not empowered by these Regulations or otherwise to delegate certain specified decisions. In particular any decision regarding:

- setting the final budget or the precept (council tax requirement);
- The outcome of a review of the effectiveness of its internal controls
- approving accounting statements;
- approving an annual governance statement;
- borrowing;
- writing off bad debts;
- declaring eligibility for the General Power of Competence; and addressing recommendations in any report from the internal or external auditors, shall be a matter for the full council only.

1.15. In these financial regulations, references to the Accounts and Audit Regulations or the regulations shall mean the regulations issued under the provisions of the Accounts and Audit Regulations 2015.

In these financial regulations the term proper practice or proper practices shall refer to guidance issued in *Governance and Accountability for Local Councils - a Practitioners Guide (England)* issued by the Joint Practitioners Advisory Group (JPAG), available from the websites of NALC and the Society for Local Council Clerks (SLCC).

2. Accounting and audit (internal and external)

2.1. All accounting procedures and financial records of the council shall be determined by the RFO in accordance with the Accounts and Audit Regulations, appropriate guidance and proper practices.

The member shall sign the reconciliations and the original bank statements (or similar document) as evidence of verification. This activity shall on conclusion be reported, including any exceptions, to and noted by the council.

2.3. The RFO shall complete the annual statement of accounts, annual report, and any related documents of the council contained in the Annual Return (as specified in proper practices) as soon as practicable after the end of the financial year and having certified the accounts shall submit them and report thereon to the council within the timescales set by the Accounts and Audit Regulations.

2.4. The council shall ensure that there is an adequate and effective system of internal audit of its accounting records, and of its system of internal control in accordance with proper practices. Any officer or member of the council shall make available such documents and records as appear to the council to be necessary for the purpose of the audit and shall, as directed by the council, supply the RFO, internal auditor, or external auditor with such information and explanation as the council considers necessary for that purpose.

- perform any operational duties for the council;
- initiate or approve accounting transactions; or
- direct the activities of any council employee, except to the extent that such employees have been appropriately assigned to assist the internal auditor.

2.8. For the avoidance of doubt, in relation to internal audit the terms independent and independence shall have the same meaning as is described in proper practices.

2.9. The RFO shall make arrangements for the exercise of electors rights in relation to the accounts including the opportunity to inspect the accounts, books, and vouchers and display or

3. Annual estimates (budget) and forward planning

3.1. Each committee (if any) shall review its 1-3 year forecast of revenue and capital receipts and payments. Having regard to the forecast, it shall thereafter formulate and submit proposals for the following financial year to the RFO not later than the end of November each year including any proposals for revising the forecast.

3.6 Any member with council tax unpaid for more than two months is prohibited from voting on the budget or precept by Section 106 of the Local Government Finance Act 1992 and must disclose at the start of the meeting that Section 106 applies to them.

4. Budgetary control and authority to spend

4.1. Expenditure on revenue items may be authorised up to the amounts included for that class of expenditure in the approved budget. This authority is to be determined by:

- the council;
 - a duly delegated committee of the council;
- or

Such authority is to be evidenced by a minute or by an authorisation slip duly signed by the Proper Officer, and where necessary also by the appropriate Chairman.

Contracts may not be disaggregated to avoid controls imposed by these regulations.

4.2. No expenditure may be authorised that will exceed the amount provided in the revenue budget for that class of expenditure other than by resolution of the council. During the budget year and with the approval of council having considered fully the implications for public services, unspent and available amounts may be moved to other budget headings or to an earmarked reserve as appropriate (virement).

4.3. Unspent provisions in the revenue or capital budgets for completed projects shall not be carried forward to a subsequent year, unless otherwise resolved.

4.4. The salary budgets are to be reviewed at least annually, in line with contracts, for the following financial year and such review shall be evidenced by a hard copy schedule signed by the Proper Officer and the Chairman of Council or relevant committee. The RFO will inform committees of any changes impacting on their budget requirement for the coming year in good time.

4.5. In cases of extreme risk to the delivery of council services, the Proper Officer may authorise revenue expenditure on behalf of the council which in the Proper Officer's judgement it is necessary to carry out. 4.8. The RFO shall regularly provide the council with a statement of receipts and payments to date under each head of the budgets, comparing actual expenditure to the appropriate date against that planned as shown in the budget. The council shall review the schedule for compliance and, having satisfied itself shall authorise payment by a resolution of the council. A detailed list of all payments shall be disclosed within or as an attachment to the minutes of the meeting at which payment was authorised. Personal payments (including salaries, wages, expenses and any payment made in relation to the termination of a contract of employment) may be summarised to remove public access to any personal information.

6.2. Following authorisation under Financial Regulation 5 above, the council, a duly delegated committee or, if so delegated, the Proper Officer or RFO shall give instruction that a payment shall be made. The RFO and Finance Officer shall have delegated authority to process payments in respect of all authorised items of expenditure as and when, and on a timely basis, to ensure that all invoices are paid in accordance with terms as far as is practicable and usually within 30-60 days. This process will require one officer to set up (submit) the payments, and the other officer to release (authorise), at all times ensuring there is a two-step process.
